

I Jornadas "Radio y Lectura. Nuevas perspectivas de lectura"

Badajoz

I Coloquio Internacional "Cultura del agua"

Torre de Miguel Sesmero

COMMUNICATIONS

The communications will be all virtual and must be presented in video format / slide show with audio either with the presentation by the author or authors, or with a presentation in Power Point and the recorded voice of the author or authors.

Slideshows should not have more than 30 slides and it is recommended not to exceed 10MB of file size. In no case should the estimated exposure time exceed 10 minutes.

Regardless of the presentation format (video or audio presentation), the following should be included at the beginning of it: index, summary (introduction, objectives, methodology and conclusions or contributions) and bibliographic references (those used). In all cases of format, an email and photo of the author or authors must be included in the presentation.

Each author must submit their proposal to gestionunilectoras@gmail.com before March 8, 2020.

All virtual communications will be made public through the web during the days of the event. It is advisable to use a Creative Commons license in them.

Each communication may correspond to a maximum of three authors.

REMEMBER: The author or authors, MUST REGISTER through the REGISTRATION FORM.
